

OSSTF/FEESO Awards for Members

To: Presidents and All Members

From: Lori Foote, Associate General Secretary – Professional Services

For Action

Every year, OSSTF/FEESO recognizes many of our members, Districts and Bargaining Units for the outstanding work that they do on behalf of the Federation and our members. Their contributions have had a positive and lasting impact on OSSTF/FEESO, its members, local communities and publicly funded education in Ontario.

The deadlines for many of these awards are fast approaching – with the majority of them due on January 31, 2018. Please see the attached chart to help assist you with the deadlines, the required information and the guidelines regarding the application process, as well as the appropriate contact for each award. The list of [awards and the nomination forms](#) are located on the provincial website under the Services tab.

NEW! - We have standardized the award pages on the OSSTF/FEESO website. In addition, we have changed the nomination form to a completely online version that is standardized, simple and with the capacity to upload additional documents if necessary. To encourage nominations from members, please send the attached infographic to worksites.

We encourage you to nominate a worthy recipient in your District or Bargaining Unit for one of these awards of recognition.
