

**DISTRICT COUNCIL MEETING**  
**June 3, 2009**

**OCCASIONAL TEACHERS' REPORT**  
**(Al Duffy)**

*OSSTF*  
*District 10*

At our Annual General Meeting held on Wednesday, May 13, 2009 a new Vice-President was elected to replace Al Duffy who assumed the Presidency from retiring Bill Douma. James Grant will now serve a one year term until the next election in May of 2010. We welcome James and look forward to what his youth and political experience will bring to our group.

The following issues were discussed with suggestions as how to proceed in dealing with them:

1. Study Hall Supervisors costing our members lots of work. It was decided to write more letters to see if we could not get more support for our position to the Premier of Ontario who is supposed to be known as the Educational Premier. As well as another letter to the Minister of Education.
2. Proper employee identification badges for our group. The Board's position is that they do not know how they can get them issued. We have decided we will offer our assistance as it is our position it is a health and SAFETY issue.
3. LKARS system of call out with the year end printout of a summary of each of our members report.
4. Our list of members was discussed at great length. The supply list is currently frozen; however, the Board did open it up briefly to add teachers in areas in which there was a shortage of qualified personnel. Therefore, I have contacted the Board representative in charge and made arrangements to sit down with them in later June to go over the list with a fine tooth comb.
5. The present system for being paid with the "PINK SHEET", being submitted remains a waste of paper and resources for everyone concerned. We will continue to lobby the Board to do away with this sheet.
