DISTRICT COUNCIL

HEALTH & SAFETY REPORT

Certification

All secondary schools still don't have a certified trained Health and Safety member - this will need to be addressed.

Audits

The annual audit for Great Lakes Secondary School has been moved to the spring due to changes in administration. Northern Collegiate Institute & Vocational School will be December 3 and Lambton Central Collegiate-Vocational Institute will be December 2.

Chemical Inventory

It is reported that these inventories have not been done at all sites due to changes in schedules, etc from COVID-19. This will be addressed at the Joint Health and Safety Committee meeting also using the newer inventory system training will be discussed.

Upcoming Meetings

Worker meeting	November 17
JHSC Full meeting	December 8
