# DISTRICT COUNCIL

## CPAC REPORT

### **ELECTION**

As many of you will know, the beginning of this school year was a very busy one for District 10 CPAC.

Over the course of the 2011 Ontario Election Campaign, District 10 was a primary player in three local races. We joined Districts from across the Province in defending public education and were paid back with the election of a Liberal Minority government.

I, along with Barb, Hugh and Stephen, were able to visit each of our worksites prior to the election and provide valuable election information to our members. As well, I was able to spend time helping out local campaigns with whatever support they needed over a total of seven days. Our dedication to public education through the support of local candidates was second to none.

On election night we held a successful social at Hiawatha Horse Park with approximately 50 members participating.

### **STUDENT ACHIEVEMENT AWARDS (IN HONOUR OF MARION DRYSDALE)**

Please encourage involvement in these Awards. Entries are due from schools to the District Office no later than November 25, 2011.

**James Grant, CPAC Officer**
