DISTRICT COUNCIL

CPAC REPORT

There are two main focuses to start this year that the Communications/Political Action Committee must take on in the early going of this school year.

First on agenda are the municipal elections. Our members will be involved in a number of different elections due to the massive size of our District. We have already successfully applied for funds from Provincial Office that can be used to help our members become involved. It is my hope that we will be able to successfully carry out a meet and greet with potential Trustee candidates.

Secondly, we must move forward with planning for member engagement events. One of the most exciting ideas that came up at our previous CPAC meeting (which was attended by only myself and one other member) was that of a night at Hiawatha.

I will be attending this weekend's Liberal Party of Canada event at the race track. It will provide some feedback on whether it is an event which we should move forward with.

Our next CPAC meeting is scheduled for September 22, 2010 at 4:00 pm at the District Office. We will be taking on both of these topics at that meeting.
