

OTIP believes in community from the inside out. We believe that being good is great, but doing good is better. We support the communities in which our members live and work through the following charitable programs.

## **OTIP Teaching Awards**

Sponsored by OTIP and administered by the Ontario Teachers' Federation (OTF), the [OTIP Teaching Awards](https://www.otip.com/Why-OTIP/Giving-Back/Teaching-Awards) recognize the vital contribution that teachers make to society. Students, parents and colleagues are invited to nominate a teacher who works to motivate, challenge and inspire, gives selflessly, and puts students' needs first. Awards are given each year to outstanding teachers in the categories of elementary, secondary and beginning teacher.
